

Guest Day Trips

Antelope Island - Monday, September 11

<https://stateparks.utah.gov/parks/antelope-island/discover/>

Antelope Island is part of what is known as the Basin and Range, stretching from the Wasatch mountains on the east to the Sierra Nevada mountain range to the west. Antelope Island is the largest island on Great Salt Lake at just over 28,000 acres, stretching 15 miles long and about 5 miles wide.

John C. Fremont and Kit Carson made the first known Anglo exploration of Antelope Island in 1845. The Island was named after the explorers observed several pronghorn antelope grazing on the rangelands.

Although surrounded by salt water, Antelope Island has over 40 fresh water springs producing enough water to support the island's abundant wildlife: bison, pronghorn, mule deer, California bighorn sheep, coyotes, badgers, bobcats, and numerous birds of prey such as owls, hawks and falcons.

Trip Details: \$20 per person includes transportation, park entry fee, and lunch.

Park City - Tuesday, September 12

<https://www.visitparkcity.com/things-to-do/shopping/>

<https://www.visitparkcity.com/eat-and-drink/restaurants/>

Hit the Park City shops for everything from handmade furniture, books and sportswear to art collectibles and Western antiques. Historic Main Street is lined with quaint shops and galleries.

And if you're in the mood for a brand-name bargain, stop by Park City's popular Tanger Outlet Center.

Park City restaurants offer plenty of palate-pleasing choices. There's something for every taste and every mood and since everything's so close, they're all within walking distance or accessible by a short ride on the free city-wide transportation system.

Trip Details: \$20 per person includes transportation, snacks/beverages. Lunch is on your own.
